THE PROGRAM

Section 1.1 This Board finds that it is desirable and expedient to further expand the Authority's Program as herein described and to simultaneously with the other parties thereto execute and deliver the Seventeenth Supplement, the Fifteenth Supplemental Indenture, the Bond Purchase Agreement, and a Continuing Disclosure Agreement (as described in Section 2.3 hereof).

Section 1.2 This Board hereby determines that it is necessary and appropriate for the Authority to issue and sell its Series 2014A Bonds in one or more series in an aggregate principal amount not to exceed \$1,850,000 pursuant to the Fifteenth Supplemental Indenture for the purposes of refinancing and refunding the Refunded Bonds, including the application of proceeds as described herein and as described in the Preliminary Official Statement and other materials now on file with the Board.

Section 1.3 Based on the financial projections attached hereto and reviewed by the Board, the Board hereby determines pursuant to Section 1-16A-93 that the estimated receipts, rentals, and other payments, including appropriations by the South Dakota Legislature, student fee payments, and other balances and revenues pledged under the Indenture or any other agreement or arrangement with respect to the outstanding Bonds will not be less than one hundred three percent (103%) of the projected scheduled payments of principal and interest on all outstanding Bonds, which for purposes of this determination shall include the Series 2014A Bonds to be issued but shall exclude the Refunded Bonds. The Authority may conclusively rely upon the determinations of the Board.

Section 1.4 The President of the Board, any Vice President of the Board and the Secretary of the Department of Education (herein, the "*Secretary*" and, collectively with the President of the board and the Vice President of the Board, the "*Authorized Officers*") are hereby authorized and directed on behalf of this Board to do all things reasonably necessary and appropriate so that Series 2014A Bonds may be issued pursuant to the Fifteenth Supplemental Indenture in an amount sufficient to pay the redemption price plus accrued interest on the Refunded Bonds, to pay costs of issuance of the Series 2014A Bonds and to provide working capital in an amount equal to the present value savings on debt service with respect to the Refunded Bonds. The Series 2014A Bonds shall be entitled to the benefit of the Seventeenth Supplement and the Subleases and to the benefit of any amounts on deposit and available in the

Tuition Subaccount (as defined in the Indenture) on a parity with all other Bonds issued under the Indenture.

Section 1.5 Upon the issuance and sale of the Series 2014A Bonds by the Authority under the Fifteenth Indenture, the Board shall enter into the Seventeenth Supplement with the Authority and any other or further supplements or related documents as may be necessary to effectuate the purposes of this resolution. The Seventeenth Supplement shall be substantially in the form similar to previous Supplements to Lease executed in connection with the Program, and the Seventeenth Supplement (or such other, further supplements or related documentation) may be subject to such modifications, variations, insertions and other changes as may be reasonably necessary and appropriate in the judgment of the President of the Board and the Secretary to effectuate the Program consistent with State law, previously adopted policies of the Board and this resolution.

Section 1.6 This Board hereby approves the execution and delivery of the Bond Purchase Agreement and the Seventeenth Supplement, together with the Fifteenth Supplemental Indenture, and a Continuing Disclosure Agreement (which are referred to herein, together with any related documents as the "*Series 2014A Program Documents*"), which Series 2014A Program Documents shall provide as follows:

A. The Board shall lease the Refinanced Projects from the Authority pursuant to the Lease as supplemented by the Seventeenth Supplement, and the amount of Lease Rentals payable by the Board thereunder shall be in an amount sufficient so that on each date on which any payment is due with respect to any outstanding Series 2014A Bonds, there shall be on deposit in the Debt Service Fund for the Series 2014A Bonds (after taking into account the other Program Revenues available therefor which are required or permitted to be transferred under the Program Documents, the Pledge Agreement, and the Collection Agreement to the Debt Service Fund) an amount which is fully sufficient to pay the principal of and premium and interest on such Series 2014A Bonds on such payment date.

B. The Series 2014A Program Documents shall be executed in the name and on behalf of the Board by the President or the Secretary in substantially the form described herein, but with such changes therein, not inconsistent with law, as may be approved by the officer executing the same, which approval shall be conclusively evidenced by the execution thereof. Such changes may include changes requested by the purchaser of the Series 2014A Bonds or any rating services as a condition to a rating on the Series 2014A Bonds or other revisions authorized or contemplated hereby, including changes to effectuate the Program pursuant to State law and previously adopted policies of the Board.

Section 1.7 This Board hereby approves the sale of the Series 2014A Bonds by the Authority to the Underwriter pursuant to the Bond Purchase Agreement at the price, bearing interest at the rates and maturing on the dates to be approved by the Authority, subject to the limitations and conditions set forth herein in Section 1.10 hereof, and the Series 2014A Bonds may be sold in one or more series.

Section 1.8 As a consequence of refunding the Refunded Bonds, pursuant to Section 7 of House Bill 1142, the Board hereby finds and determines that the final remaining collateral requirements shall be satisfied and the Board hereby consents to the release of the pledge of the Trust Fund Earnings such that they are no longer pledged under or pursuant to the Indenture, Pledge Agreement or any related document or instrument, and the \$1,500,000 balance in the Technical Institutes Facilities Fund may be transferred as provided in House Bill 1142. The President or the Secretary are hereby authorized, empowered and directed (provided only one such signature shall be required) to execute any and all instruments deemed necessary or appropriate (herein, the "*Satisfaction and Release*") to release the Trust Fund Earnings from any pledge with respect to Bonds and/or evidence satisfaction of any collateral requirements so that the transfer of the \$1,500,000 balance to the Equipment Fund may occur on or after August 1, 2014 and to do such further acts and things necessary to carry out such release and transfer.

Section 1.9 The appointment by the Authority of Perkins Coie LLP as bond counsel and disclosure counsel in connection with the Series 2014A Bonds and the Program is hereby approved. All fees and expenses incurred in connection with the Series 2014A Bonds and the Program, including the Authority's fees and expenses, the underwriter's compensation provided for in the Bond Purchase Agreement, bond counsel fees and other costs of issuance shall be payable out of the proceeds of the Series 2014A Bonds or other amounts available to the Program, provided however that such fees and expenses shall be subject to the prior approval of the Secretary and to any further approvals as may be contemplated by the resolution of the Authority approving the Series 2014A Bonds.

Section 1.10 The adoption of this Resolution by this Board is intended to and shall be the final and conclusive authorization of this Board for the execution, delivery and performance of the Series 2014A Program Documents and all related documents, instruments and certificates so long as (1) the Series 2014A Bonds are entitled to the benefit of Program Revenues; (2) the Series 2014A Bonds bear interest at rates resulting in a yield for arbitrage purposes not in excess of 3.50% per annum with a final stated maturity of no later than August 1, 2024; (3) the purchase price of the Series 2014A Bonds to be paid by the underwriter will be not less than 98.0% of the principal amount of the Series 2014A Bonds; (4) the underwriter's discount (as measured as a percentage of total proceeds of the Series 2014A Bonds) shall not exceed 2.0%; (5) bond counsel is of the opinion that the Series 2014A Program Documents are the legal, valid and binding obligations of the Board enforceable in accordance with their terms; and (6) an Authorized Officer and the Authority approve the form of the Series 2014A Program Documents for execution and delivery.
