

A Conversation on Common Core
Conference call for school administrators

Who: Dr. Wade Pogany and department staff will host a conference call to discuss the direction of the Common Core standards.

What: Topics to be addressed include the following:

- Resources available to administrators related to Common Core standards
- Professional development plans for teachers during 2011-12
- Activities for administrators to consider when working with staff on Common Core
- Responding to questions from administrators

When: Two sessions with the same information:

- Wednesday, June 15, 2-3 p.m. (CST)
- Wednesday, June 22, 2-3 p.m. (CST)

Why: To keep administrators informed about the Common Core standards and to explore options for how to implement them in your district.

How to Participate: To join the call, dial 1-866-410-8397 and enter conference code 605-773-3282. Please remember to mute your phone.
