## 2008 Report Card

**Distinguished Schools** will be identified using the following criteria:

- a. Met AYP for two consecutive years in both reading, math, and the other academic indicator **AND**
  - b. Significantly closed the achievement gap between the disaggregated groups of students. A school will be considered to have significantly reduced the achievement gap if the gap between the identified group and the non-identified group decreases by 10% over a two year period for one of more of the subgroups. Only subgroups meeting the minimum "n" size of 25 will be considered.
    - i. Students with disabilities
    - ii. Economically disadvantaged students
    - iii. Limited English Proficient students
    - iv. Major racial/ethnic groups
- OR**
- c. The percentage of students in the "all student" group that have met the State's proficient and advanced levels of student performance in both reading and math is 10 percentage points higher than the current year's AMO for each subject.

To be eligible for the Distinguished School/District title, a school must have 25 or more students (10 or more students if 2009 or earlier) in the grades tested in the school.
