Standards Based Curriculum Career Cluster Implementation

What does moving to a standards-driven curriculum really mean for Career and Technical Education (CTE) instructors? Join in on a Standards Alignment Workshop to evaluate your current offerings (program of study) and align your courses to the SD CTE 'Core' Standards. By the end of the workshop, participants will have at least one course outline prepared for the 2010-11 school year with guidelines in structuring other courses. To qualify as an approved CTE program in South Dakota, local courses must align with state CTE core standards. Participants must bring course syllabi and/or unit outlines to the workshop.

Important Session Information:

Cluster specialists will be attending to assist CTE teachers.
Registration ends at 12:00 AM on Tuesday, January 19, 2010

Session ID: 41621	Credits Available: (1) Graduate
Seats Filled: 18 / 50	Fee: \$0.00
