8 (2) The school boards of each district which voted and approved the reorganization plan
9 concur by majority vote and the minor boundary change is recognized in the plan; or

10 (3) The plan is operative pursuant to § 13-6-61.

15 13-6-86. However, a school board may not approve a boundary change or a land exchange of
16 the school district if the appraisal of the land to be detached has a fair market value that is ten

1 percent more than the fair market value of the land that is proposed to be annexed to the school
2 district. Fair market value is defined in § 10-6-1.3.

3 Section 3. That § 13-6-84.1 be amended to read as follows:

22 resolutions of all districts favor a boundary change, the resolutions shall be forwarded to the
23 county commissioners having jurisdiction over the school districts affected. The county
24 commissioners shall act pursuant to § 13-6-87. Nothing in this Act compels a school board to

1 act if the school board is unwilling to exchange any land within its boundary. The exchange of
2 land between each school district may only be made if each school board is willing to exchange
3 the land. If a school district is willing to detach, annex, or exchange land, the involved school
4 district shall adopt a resolution of intent to exchange land with the other school district. The
5 resolution of intent shall contain the following:

18 detached and annexed by each of the involved school districts. Each of the involved
19 school districts shall approve the certified appraiser completing the appraisal, and
20 shall pay one-half of the cost of the appraisal. If a school district does not agree with
21 an appraisal, the school district may, within thirty days of the receipt of the appraisal
22 and at its own expense, order another appraisal from a different certified appraiser.

23 The school board of each involved school district shall, within five days of the passage of

8 hearing to consider the proposed land exchange. Following the public hearing, the school board
9 of each involved school district shall meet to either withdraw from the land exchange or take
10 final action on the resolution of intent. If the resolution of each of the involved school districts
11 approves a land exchange and no petition for an election is filed pursuant to § 13-6-84.3, the
12 resolutions shall be forwarded to the county commissioners having jurisdiction over the

18 ~~made upon an application for a boundary change to the school board of the school district from~~
19 ~~which the area is to be taken and to the school board of the school district to which the area is~~
20 ~~to be annexed, in the form of a petition, including the final plan of detachment and annexation~~

11 appeal from the decision of the secretary may be made pursuant to § 13-6-89. On appeal from
12 a decision of the secretary, the appeal shall be heard and determined in the same manner as a
13 direct appeal from the school board decision pursuant to § 13-6-89 and chapter 13-46 without
14 any presumption of the correctness of the decision of the secretary nor may the provisions of
15 § 1-26-36 be applied to the decision of the secretary. Nothing in this section affects the right of
