Re: SD FY2012 Competitive Title I School Improvement Grant (1003g)
Huron Middle School #12SIG200204

Dear Dr. Harms:

Mr. Mike Taplett and I are requesting an amendment to Competitive Title I SIG for the Huron Middle School. We would like to provide middle school teachers with a one day APS training with Apple Education. The cost for the training is \$2900.00, which exceeds the amount budgeted for professional development. This training would be done on site so we will not use the funds budgeted for travel. Therefore, we are requesting to move the \$740.00 budgeted for travel to the professional development budget. Enclosed is a copy of the previously approved budget with our requested changes.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Darci Love".
